

Ortanique Philosophies

At Ortanique, we believe our establishment must provide an all-inclusive culinary experience. Meaning from the moment you walk through our doorway... the warm sunset yellow, burnt sienna and rich mahogany greet you. Our professional staff eloquently informs you of the gourmet treat you will soon feast upon. All five of your senses must be involved in this...visual, audio, smell, touch and taste. If we at Ortanique reach all of those human pleasures, we have succeeded in creating the dining pleasure you deserve.

– Executive Chef Cindy Hutson

Dining out is a time of reward in which one can release all faculties and endeavor in the simple pleasures of life that we often take for granted. We would like to be your ambassador to an unforgettable experience; from our hospitable staff, our casual sophisticated elegance, to the delectable cuisine. We at Ortanique want to remind you that life moves quickly; so do not let it pass you by.
